JOSEPH S. DOMINICK, SR.

The Town of Winchester wishes to dedicate the 1991-1992 Annual Town Report to the late Joseph S. Dominick, Sr. who served the Town of Winchester as Selectman for twelve years. He was also approved by the Department of Revenue Administration as a State Tax Assessor and in his capacity as Selectman did much of the Town's tax assessment.

Joe was a life-long resident of Winchester, retiring from the postal service as a mail carrier in 1977. He also worked for many years at the Tannery. He was a World War II Veteran and gave his life through various veteran's groups. He was a highly skilled carpenter. One of his many hobbies was making ladders. He was also a farmer. For whatever reason we remember Joe, we cannot forget the endless hours he spent serving the Town of Winchester.

The Town of Winchester is grateful to the Winchester Historical Society for allowing us to reprint the Old Meeting House note card on our cover. This card is one of a set available for sale to the public from any member of the Historical Society, or by contacting Edith Atkins.

DEDICATION

JOSEPH S. DOMINICK, SR.

The Town of Winchester wishes to dedicate the 1991-1992 Annual Town Report to the late Joseph S. Dominick, Sr. who served the Town of Winchester as Selectman for twelve years. He was also approved by the Department of Revenue Administration as a State Tax Assessor and in his capacity as Selectman did much of the Town's tax assessing.

Joe was a life-long resident of Winchester, retiring from the postal service as a mail carrier in 1977. He also worked for many years at the Tannery. He was a World War II Veteran and many remember him through various veteran's groups. He was a highly skilled carpenter. One of his many hobbies was making fiddles. He was also a farmer. For whatever reason we remember Joe, we cannot forget the endless hours he spent serving the Town of Winchester.

We shall always remember the many hours Joe and Champ (Sam in later years), his silent and loyal canine partners, spent at the various tasks associated with the Office of Selectmen. While Joe's partner would

dutifully protect the Town Hall parking lot from his perch in the pick-up, Joe would tend to the daily running of the Town Hall, dealing with the public, getting the mail, reviewing property records with the public and fielding any questions that would need an executive point of view.

When we reminisce about the years we have spent with Joe, we remember some of the things he used to say and do. He always came to the Town Hall with a smile - sometimes donuts too! He loved baseball, going once with a group of town officials to a Red Sox game we understand he was the only person that actually watched the game! When Joe had to explain that something couldn't be any worse, he would say it was just "savagorous"!

Joe would say, "you are going to miss me when I'm gone" and he was right. The wide smile and the helpful person we fondly remember is no longer at our disposal. His efforts have made way for efficient secretaries, as well as standards left for other selectmen. Yes Joe, you were right, we do miss you and we often wish you were here! We thank you, and we thank your family for sharing you towards the benefit of the Town of Winchester.

TOWN OFFICERS
(AS OF FEBRUARY 1, 1993)

SELECTMEN

Selectmen's Message

Another year has passed and more stories about the Town's transition and growth are to be catalogued in our homes and offices in this year's edition of the Town of Winchester Annual Report.

We feel if there is no big story for the year it is just as well. We know that we need not have a crisis before improvement begins. Quietly, significant things have happened. Some of what we have been dealing with over the last year is as follows:

The Town has received a federal grant for One-Million One-Hundred Thousand Dollars (\$1,100,000.00) to help solve the bridge problem over the Ashuelot River in downtown Winchester. This shall be an ongoing project taking a few years to complete. We are currently studying the best location and the possibility of utilizing the old railroad track area as a by-pass for the Town proper with the effort to open up the industrial area for revitalization and expansion.

The construction of the Mine Road bridge will be done this year.

The construction of the handicapped access has been completed on the Conant Library. Louise Reason did a tremendous job coordinating this project.

The Environmental Protection Agency has recently completed an extensive clean-up action at the Tannery. This clean-up will now allow future industrial development on the premises. Currently, there is a company actively pursuing the purchase of this property.

We have completed the infrastructure improvements at New Beginnings Mobile Home Park. This was done through revitalization money from the Office of State Planning.

There will be a Head Start program in Winchester starting this fall. Southwestern Community Services has purchased a large house and shall be converting a barn into a classroom area. Funding for this renovation shall be obtained from the Office of State Planning. We anticipate this shall be an asset to the community.

Selectman Austin has just completed the task of perambulation of the Town lines. He has walked miles many Saturdays throughout the spring, summer, and fall with the selectmen from neighboring towns. Perambulation of Town lines is a responsibility of the Board of

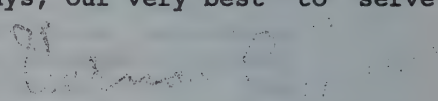

Selectmen to be completed every seven years. The Conservation Commission was successful in attaining a grant of land off the Warwick Road. This 184 acre tract may someday be the site of another well for the municipality.

One of the biggest issues on the Warrant last year was the abolishment of the Sewer Commission. This changeover has occurred with little notice by the general public. The water and sewer bills have been merged and the billing and record keeping has been streamlined. The previous Commissioners have been helpful in answering questions relating to the plant operations and we have set up an Advisory Committee to work with the plant operator in dealing with functions of the sewer treatment facility. This Water/Sewer Advisory Committee has been extremely helpful by 'digging in' and gathering information necessary for decision making on both water and sewer issues by the Board of Selectmen.

The Town offices have been changed a bit both inside and out over the last year. The Town Clerk and the Tax Collector are downstairs in new offices. The new computer system bought last year is working well and making more information readily available.

This year the budget is a more serious concern than ever. The tax base is not increasing with our spending, forcing us to keep our services at a moderate level, with little or no expansion of services at all. Direct Assistance has increased at an alarming rate making the Town minimize spending in other departments. This year the Town report has been shortened to try to save money. We wish to emphasize that the information you may miss this year within the Town Report is still available to you upon request at the Town Hall.

We have many hopes for the Town for the upcoming year, and shall do, as always, our very best to serve you.

VERNON A. JONES, CHAIRMAN

LEROY E. AUSTIN

TOWN MEETING WARRANT

TOWN OF WINCHESTER

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF WINCHESTER, IN THE COUNTY OF CHESHIRE IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 9th day of March next, 1993 at nine of the clock in the forenoon to act upon the following subjects. The polls not to close at an hour earlier than six of the clock in the afternoon.

ARTICLE #1. To choose all necessary Town Officers for the ensuing year.

Also, you are notified to meet at the Town Hall in said Winchester on Saturday, the 13th day of March next, 1993, at nine of the clock in the forenoon to act upon the following subjects.

ARTICLE #2. To receive the reports of the Selectmen, Town Treasurer, and other Town Officers including the agents and committees, and act thereon.

ARTICLE #3. To see if the Town will vote to raise and appropriate an additional sum not to exceed Seventy-Five Thousand Dollars (\$75,000.00) as the Town's one-third contribution of funds to engage the State of New Hampshire Department of Transportation to rehabilitate the Elm Street Bridge #124/084. Further, to authorize the Board of Selectmen and the Town Treasurer to issue long-term bonds and/or notes for this purpose, in accordance with the provisions of the Municipal Finance Act, (RSA Ch.33). This amount shall supplement and be in addition to the \$125,000.00 already authorized by the March 12, 1991 Town Meeting under Article #6. (This requires a two-thirds ballot vote.)

INSERTED BY THE BOARD OF SELECTMEN

My Commission Expires November 26, 1995

SELECTMEN'S REPORT - 1993

The Board of Selectmen wish to thank all the taxpayers and town officers for their cooperation during the past year. Selectmen meet every Wednesday at 7:00 p.m. Other times may be arranged by calling 239-4951 if these hours are not convenient. The Selectmen's Office is now open Monday through Friday from 8:00 a.m. to 5:00 p.m.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for property taxation. The only form that is mailed out is the Inventory of Taxable Property. All other forms must be obtained at the Selectmen's Office. The law states that an Inventory Form must be filled in, signed, and returned to the Selectmen's Office on or before April 15th. If an Inventory Form is not filed, there is no legal basis for the Board of Land and Tax Appeals or the Court to consider an application for abatement. Also, a late return of the Inventory Form will be assessed a penalty.

VETERAN'S EXEMPTION

Permanent applications are available in the Selectmen's Office. We call your attention that if a person eligible for an exemption changes his domicile, or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

EXEMPTIONS FOR CERTAIN ELDERLY PEOPLE (C.E.P.)

These forms are for persons who qualify for reduction in their tax bills. These forms must be completed and in the Selectmen's Office on or before April 15th. If there is no completed form on file, we cannot grant the Elderly Exemption. The three categories of exemption are from ages 65 to 75, 75 to 79; and age 80 and over. It is your responsibility to complete a new exemption form if you change categories.

INTENT TO CUT TIMBER

Every owner, including state, county or municipality or public agency, shall prior to each cutting operation, file with the Selectmen, a Notice of Intent to Cut.

ASSESSMENT OF OPEN SPACE

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provision of this chapter unless he shall

have applied to the assessing officials on the form approved by the Board and provided by the Tax Commission.

PERMITS

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease or tenancy any site, lot, field, tract of ground for location of any building trailer or manufactured housing, or other similar conveyance, place or abode for shelter, or any other form of development, (as defined in the Town of Winchester Zoning Ordinance), shall obtain a written operating (building) permit from the Board of Selectmen. A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one (1) year from the date of issuance, application for renewal of permit must be made, and, if granted, will not entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received, an "Approval of Construction", granted by the New Hampshire Department of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system (or, where applicable, a Certificate of Availability from the Winchester Board of Sewer Commissioners) before a building permit or permit to park a trailer or manufactured housing shall be issued.

MANUFACTURED HOUSING

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall within fifteen (15) days of the placement of the manufactured housing or within fifteen (15) days of the purchase of same register with the assessors of the city or the selectmen of the town where he intends to reside. Whoever fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Building Inspector. The hauler of such manufactured housing shall have the permit in his possession at the time of the move. The granting of such permit shall entail a fee which shall be set by the Board of Selectmen not to exceed \$100.00. This does not apply to manufactured housing which pass through the Town in transit both from and to another town.

Inter-library loan materials: 92

Collection Size:

Books: 31,748

Audiocassettes and records: 220

Videocassettes: 177

Current serials and newspaper subscriptions: 77

Fiscal 1992 was a year of change for the library in many ways. The biggest change occurred on November 1, 1991 when Mrs. Edith W. Atkins retired from her long-held position as Head Librarian. Although one can try to measure Mrs. Atkins's contribution to the library by stating that she served as librarian for forty-three years, time alone cannot be a measure of the value of her services, nor can it begin to measure the dedication she brought with her to the job. Under Mrs. Atkins's guidance, the library grew to house a collection of 30,000 books and periodicals, including an outstanding historical and genealogical collection. Mrs. Atkins also helped establish the Historical Museum which contains priceless historical records, photographs and artifacts, including a Henry Pratt organ built in Winchester in 1799. It was restored to its original beauty and purchased by the library through the fund-raising efforts of Mrs. Atkins and others to commemorate the bicentennial. Those of us currently on the staff who were lucky enough to have served under Mrs. Atkins will be ever grateful for her dedication, her professionalism, and her willingness to share her skills with us. Mrs. Atkins continues to be active in the library, serving as a member of the Board of Trustees, as Director of the Historical Department, and in a much-appreciated advisory capacity.

I have taken over Mrs. Atkins' position as the Head Librarian. For those of you who don't know me, I have lived in Winchester for the past ten years with my husband and four children. I have recently completed the State Library requirements, and am now a certified librarian in the state of New Hampshire. My Assistant Librarian, Mrs. Carol Glabach, is a mother of two and resides in Winchester with her husband. She has taken courses through the state library, and is employed on a part-time basis at Keene Public Library. Mrs. Christy Menard is a long-time employee of our library, and has been appointed Literacy Coordinator. She is actively involved in establishing literacy programs for the citizens of Winchester in addition to her other duties. At the end of Fiscal Year 1992, Mrs. Sherry Blair resigned from her position as a library aide. We have since hired Miss Christy Frazier, a former library volunteer and recent graduate of Thayer High School currently attending college, as her replacement. Miss Frazier works closely with the schools, increasing communication and cooperation between the two institutions, and is continuing a program instituted by Mrs. Blair of displaying artwork at the library by the students from both the elementary schools and the high schools.

The library building itself underwent change this year, too. Construction of the handicapped access lobby was started in June 1992. The lobby will eventually be used as the primary entrance for all library users and is scheduled to be open for public use early in 1993. The temporary wooden ramp will be removed, and the lumber will be used by Thayer Library in Ashuelot to allow handicapped access to that building.

Despite all the changes this year at the library, one thing remains constant. The staff and the Board of Trustees remain dedicated to the principles that guided Mrs. Atkins's administration so well. It is our sincere desire to continue to be able to meet the educational, recreational, cultural and informational needs of all citizens of Winchester, New Hampshire. We will continue to do our utmost to provide the services, materials and programs that will best serve the town of Winchester in these changing times.

Respectfully Submitted,

Louise E. Reason
Librarian

**INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL STRUCTURE RELATED MATTERS NOTED
IN A FINANCIAL STATEMENT AUDIT CONDUCTED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board Selectmen
Town of Winchester, New Hampshire

We have audited the general purpose financial statements of the Town of Winchester, New Hampshire for the year ended June 30, 1992, and have issued our report thereon dated September 23, 1992.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-128, "Audits of State and Local Governments". Those standards and OMB Circular A-128 require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Winchester, New Hampshire for the year ended June 30, 1992, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Winchester, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

ACCOUNTING APPLICATIONS

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures and expenses for goods and services and accounts payable
- Payroll and related liabilities
- Debt and debt service requirements
- Grant and similar programs

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

However, we noted certain matters involving the internal control structure and its operations that we have reported to the management of the Town of Winchester, New Hampshire in a separate letter dated September 23, 1992.

This report is intended for the information of management, and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

Vachon, Cluzey & Co., PC

September 23, 1992
